Welcome to Advent's Fall Program in Sacred Scripture.

We will be studying the centrality of Jesus in the life of the Church, His gifts to each one of us in witnessing a world in need of spiritual awakening and personal transformation, and the importance of faith in this cooperative affair. You'll meet some of our faith-filled, Spirit-led ancestors in the faith whose courageous lives continue to inspire many today. The Church of yesteryear speaks to the Church today.

Meet them in the living words of this Epistle as they have much to teach us in living out our Baptismal lives today.

"...they all died in faith, not having received what was promised, but having seen it and greeted it from afar, and having acknowledged that they were strangers and exiles on the earth. For people who speak thus make it clear that they are seeking a homeland...but as it is, they desire a better country, that is, a heavenly one. Therefore God is not ashamed to be called their God, for he has prepared for them a city."

Come, be inspired by the uniqueness of the Word of God, Christ's love and power in the guidance of His Church today, You will be changed by this Letter to "today's Hebrews."

Notes will be provided. Bring your New Testament and whatever sips and snacks will keep you energized during these 2 hours of grace!

"All these 'Hebrews', though well attested by their faith, did not receive what was promised, since God had foreseen something better for us..."
