**REFLECTIONS ON PROTECTION IN THE FOLD**

***“I am the gate; whoever enters through me will be saved. They will come in and go out, and find pasture.” – John 10:9***

The idea of being part of the shepherd’s flock signifies a safe space where we can find refuge. Just as sheep depend on their shepherd for protection against predators in the wild, we too can rely on God to protect us from life’s dangers. This prompts us to be mindful of how we can provide that same sense of safety for those around us, reminding us that we are all part of a larger community under the protection of our Heavenly Shepherd.
