

Advent Rector Search Update

DECEMBER 15, 2024

As many of you know, Canon Jackson will be leaving us at the end of January 2025.

We have completed the process for publicizing our clergy opening both statewide and nationally and are waiting to hear from Canon Anita Braden regarding any interested clergy.

The Diocese will receive all applications and perform a back-

ground check prior to sending us the applicants names.

Securing a new clergy person is a long, arduous process and we have completed all the steps required of a congregation, therefore we hope to start the interview process very soon.

Please keep this process and our Search Committee in your prayers.

SEPTEMBER 8, 2024

Our Parish Profile has been approved by Canon Anita Braden at the AZ Episcopal Diocese.

What does that mean for Advent? There will be a six week period when we receive the names of those interested in being our next Rector. At the conclusion of the six weeks the Search Committee will interview the

candidates and forward to the Vestry those candidates that may be good fit at Advent. The Vestry will then determine which candidates they think will fit through their own interview process.

It is our sincere hope we find our next Rector by the end of this year.
